

## Statewide Breastfeeding Hotline

The Appalachian Breastfeeding Network (ABN) operates the toll-free 24/7 hotline with live, trained lactation professionals. Services are available free of charge to all callers, including mothers, their families and partners, expectant parents, and health care providers.

The hotline is available at 1-888-588-3423. For more information on the hotline or Appalachian Breastfeeding Network, please visit <https://www.appalachianbreastfeedingnetwork.org/>
